PROJECT INFORMATION

Legal Description of Property

County

Does this project emphasize and/or prioritize soil salinity issues? YES NO

If No, what is the resource concern being addressed?

Number of Acres (Limit 160)

AGREEMENT AND SIGNATURE

Funding is on-going until funds are exhausted. It will be first come, first served with priority given to projects directly addressing soil salinity issues. Applications MUST INCLUDE: Field maps with area to be planted delineated and a species mix that meets NRCS 340 specifications. Funding is limited to \$50/acre not to exceed 160 acres. This is a reimbursement based program - applicants must submit photos of successful establishment, seed tags, and planting dates to be eligible for payment.
